MEMORANDUM FOR: Deputy Director for Support

DD/S
FILE Training 3-1

Bob:

I am sure that the Deputies would be interested in the briefing you suggest by [redacted] It seems to me, however, that it would be more appropriate to have the Deputies receive such a briefing when we are ready to consider Hugh Cunningham's recommendations as to how we should restructure our Career Training Program. The findings of Drs. [redacted] would seem to be more appropriately considered in the first instance by the group which has been designated to work with Hugh on this matter.

In this connection, I am at a loss to understand what has happened to this study. You will recall that this assignment was given to Hugh on 25 July. As far as I know, there have been no meetings of the group, which was designated shortly thereafter. Frankly, I wonder how Hugh can afford to take time off to go to Latin America to deliver three lectures if we are this far behind in what I consider to be a very important program for which he -- at least at the moment -- has responsibility.
